

You've Got the Power

Did you know you live in a deregulated energy market?

That means you get to decide which Retail Energy Provider (REP) you want to power your home or business. With numerous providers in the market, you can shop energy plans based on what matters to you. Plus, you benefit from competitive pricing, a variety of plans and delivery options, loyalty programs and better customer service.

Pick a Provider You Can Count On

As an energy provider committed to authentic, transparent and reliable service, you can count on Stream to power your home or business – that's living the Stream dream. Take it from someone you know and trust, Stream offers a variety of services and competitive plans to fit any lifestyle and budget.

Electricity

Keep your lights on with competitive, reliable electricity plans.

Natural Gas

Receive safe, clean and efficient natural gas.

Renewable
