

# Plan of *Action* Checklist

SUCCESS LOVES SPEED AND ACTION

## Start with *4 in 24*

Check off the first 4 steps in 24 hours to get off to a fast start!

- 1** Visit Kynect Central and set up how you want to be paid.
- 2** Subscribe to Kynect Pro.  
(Kynect pro is optional and has a value of 20 Personal Customer Points. These points can be replaced by enrolling 20 additional Personal Customer Points.) **20**  
POINTS
- 3** Enroll your first customer.  
This could be yourself or someone else. POINTS
- 4** Enroll your first outside customer.  
(To enroll an outside energy customer, you will need to complete your energy accreditation. (Step 5)) POINTS

### Qualification is 40 Personal Customer Points\*

20 Kynect Pro	3 Truvvi (Monthly)	15 Home Security
10 Truvvi™ (Annual)	10 Energy**	10 Wireless***

TOTAL PERSONAL  
CUSTOMER POINTS

- 5** Complete energy accreditation training.  
(Get started from the energy accreditation widget on the Kynect Central homepage.)
- 6** Become familiar with the rest of Kynect Central.  
[Click here](#) for a simple walkthrough of Kynect Central.
- 7** Set up your Truvvi Basic account.  
(Kynect Central > Services > Truvvi > Get Started - For extra help [watch this video](#).)
- 8** Plug into Kynect on Facebook and Instagram.  
(Join the Life Kynected Kynect Associate group and follow us @LifeKynected.)
- 9** Bookmark our online news blog, Currents, for all the most updated news about Kynect. ([wekynect.com/currents](http://wekynect.com/currents))
- 10** Download the Kynect Share app from the App Store or Google Play Store.
- 11** Write down why you began your Kynect business and some financial goals you'd like to accomplish.
- 12** Schedule a strategy session with your sponsor/upline leader to help you create an action plan based on Step 11.

\*5 of your 40 points must come from outside your household.

\*\*\*Wireless is 10 points for ported and 5 points for non-porting.

\*\*Energy customers vary between 5 and 15 points per customer.
